HETI

She is regarded as an icon of sailing and the Hamburg yacht building tradition – the HETI. Designed by Max Oertz, the famous yacht builder and shipyard owner, it was launched in Hamburg-Neuhof in 1912.

Over 100 years later the HETI represents the historical art of building and the love for sailing like no other. To ensure that she can take part in countless regattas and special events such as the Hamburg Hafengeburtstag (Port Anniversary) and Kiel Week, many volunteers are involved in the maintenance of this yacht so steeped in tradition.
